FEVER-TREE

MIX with the BEST

Mojito

SPARKLING MOJITO MIXER

Although the origin of the mojito is uncertain, there can be no doubt this Cuban classic is one of the world's most popular cocktails.

DIFFICULTY: 1

GLASSWARE: HIGHBALL

INGREDIENTS

SERVES 1

Fever-Tree Premium Soda Water	150 ml
Rum	50 ml
Granulated sugar	1 tsp
Ice	Lots
Lime	1
Mint	Lots

METHOD

Making the perfect Mojito at home every time couldn't be easier, you simply stir your ingredients together.

Step one: Fill a highball glass with plenty of ice, add Rum and fresh mint.

Step two: Add Mojito Mixer and stir well.

Step Three: Garnish with more mint and a lime wedge.

Top Tip: Traditionally white rum is used in Mojito's, but this also tastes great with dark rum.
