FEVER-TREE

MIX with the BEST

Vodka & Tonic

MEDITERRANEAN TONIC

We wouldn't ever want to get into an argument regarding Vodka and Tonic vs Gin and Tonic, but if we had to defend the former, this iteration of an icon would be the ace up our sleeve. Our recipe is every bit as straightforward as the ingredients that go into our Vodka and Tonic. If you follow these simple steps, you're bound to be left with a cocktail to remember:

DIFFICULTY: 1

GLASSWARE: COPA

INGREDIENTS

SERVES 1

Fever-Tree Mediterranean Tonic Water	3 parts
Vodka	1 part
Ice	Plenty
Lemon Thyme or Lemon	1 slice

METHOD

STEP ONE: Fill a large wine glass or a highball with plenty of large, fresh ice cubes.
STEP TWO: Pour over a measure of your favourite vodka then top up with chilled Fever-Tree Mediterranean Tonic Water.
STEP THREE: Garnish with a sprig of lemon thyme or a curl of lemon peel.
