FEVER-TREE

MIX with the BEST

Amaretto Mule

PREMIUM GINGER BEER

In theory, almonds and ginger shouldn't work together. One is rich and slightly bitter, the other bold and peppery. Yet this Amaretto Mule, which pairs the almond-infused liqueur with fiery Fever-Tree Ginger Beer, is a surprisingly refreshing combination. Expect sweet, nutty flavors balanced by bright lemon and a rich, chocolatey finish.

DIFFICULTY: 2

GLASSWARE: COPPER MUG

INGREDIENTS

SERVES 1

Amaretto	2 oz
Fever-Tree Ginger Beer	4 oz
Lemon Wedges	2

METHOD

Step One: Fill a copper or glass mug with plenty of ice cubes.

Step Two: Pour over the amaretto.

Step Three: Top off with the ginger beer.

Step Four: Garnish with the lemon wedges.
