FEVER-TREE

MIX with the BEST

Cranberry Tonic

MEDITERRANEAN TONIC WATER

This refreshing pitcher sparkles with sharp, tart flavors. The sour-sweet cranberries and fresh pink grapefruit work wonderfully together to complement the bitter herby notes of the Fever-Tree Mediterranean Tonic Water and the earthy quality of the mint.

DIFFICULTY: 2

GLASSWARE: PITCHER

INGREDIENTS

SERVES 1

Fever-Tree Mediterranean Tonic Water	17 oz
Cranberry Juice	17 oz
Pink Grapefruit Wedges	5
Mint Leaves	15

METHOD

Step One: Fill a pitcher three-quarters full with ice cubes.

Step Two: Pour over the cranberry juice.

Step Three: Squeeze over grapefruit wedges and drop them in.

Step Four: Add mint leaves.

Step Five: Top off with tonic water

Step Six: To serve, pour into highball glasses and garnish each one with a mint sprig and a thin slice of pink grapefruit.

If you slap or tear your mint leaves before adding them to the glass, the flavor will flourish.
