FEVER-TREE

MIX with the BEST

Mint & Thyme Vodka Tonic

MEDITERRANEAN TONIC WATER

We bring mint and thyme together in the kitchen – so why not combine them for a cocktail? In this simple, summery drink, the fresh herbs add fragrant, garden-inspired flavors that are light and refreshing. Fever-Tree Mediterranean Tonic Water complements the blend with delicate botanical notes and a crisp finish, creating an effortlessly bright serve.

DIFFICULTY: 2

GLASSWARE: COPA

INGREDIENTS

SERVES 1

Fever-Tree Mediterranean Tonic Water	6 oz
Premium Vodka	2 oz
Lemon Wedge	1
Mint Leaves	1 handful
Thyme Sprig	1

METHOD

Step One: Pour the vodka into a gin balloon or wine glass filled with ice cubes.

Step Two: Squeeze over and then drop in the lemon wedge.

Step Three: Top off with the tonic water.

Step Four: Slap the mint leaves to release their aromas, then add them to the glass.

Step Five: Garnish with a mint sprig and a thyme sprig.
