FEVER-TREE

MIX with the BEST

Sherry & Tonic

MEDITERRANEAN TONIC WATER

Sherry is one of the world's most versatile wines. From dry to sweet, it crops up in cocktails from the Bamboo to the Bloody Mary. In this drink, the Spanish wine is mixed simply with tonic water, whose subtle herby flavors and saline qualities are given an opportunity to fizz to the fore.

DIFFICULTY: 1

GLASSWARE: HIGHBALL

INGREDIENTS

SERVES 1

Fever-Tree Mediterranean Tonic Water	6.8 oz
Dry Sherry	4 Tbsp
Lemon Wedge	1

METHOD

Step One: Pour the sherry into a highball glass filled with ice cubes.

Step Two: Top off with the tonic water.

Step Three: Garnish with a lemon wedge.
