FEVER-TREE

MIX with the BEST

Watermelon Aperol Spritz

PREMIUM CLUB SODA

A refreshing twist on the classic Italian cocktail, combining the bittersweet notes of Aperol with the juicy sweetness of fresh watermelon. Light, bubbly, and perfect for summer, it's an easy-to-make drink that balances fruitiness with a hint of citrus and a sparkling finish.

DIFFICULTY: 2

GLASSWARE: COPA

INGREDIENTS

SERVES 1

Fever-Tree Premium Club Soda	1 oz
Aperol	1 oz
Fresh Watermelon Juice	1 oz
Prosecco	3 oz

METHOD

Step One: fill a balloon or wine glass with fresh ice and pour over Aperol and Watermelon Juice.

Step Two: Top with 3 oz of Prosecco and 1 oz Fever-Tree Premium Club Soda

Step Three: Stir and garnish with large Watermelon slice

Chill all your ingredients—especially the watermelon juice and Prosecco—before mixing to keep the spritz crisp and refreshing without needing to dilute it with too much ice.
